Insurance Patients

Regarding Payment of Benefits

We ask that you read and sign this form to acknowledge your understanding of our patient financial policies. Patient financial responsibilities: * The patient (or patient's guardian, if minor) is ultimately responsible for the payment regarding the treatment and care. We will bill insurance for you, however *Copays are due at time of service. *Coinsurance, deductibles non-covered items & covered charges insurance has denied are due upon receipt of billings Denied covered charges will be resubmitted once due to time constraints.

Insurance verification is a courtesy and not a guarantee of payment.

I have requested medical services from Family Chiropractic & Wellness on behalf of myself and/or my dependents, and understand that by making this request, I become fully financially responsible for all charges incurred during the authorized treatment.

I further understand that fees are due and payable on the date that services are rendered and agree to pay all such charges incurred in full immediately upon presentation of the appropriate statement. A photocopy of this assignment is to be considered as valid as the original.

I give my permission to pay Kristie Pszczola, P.C. directly all insurance benefits, payable to me for services rendered.
